Charter of Steamers for Transports.

NOTE.—For beginning of this correspondence see A.G.'s Report, 1914-15, page ZZ—124.

AUDITOR GENERAL'S OFFICE, October 6, 1916.

SIR,—I beg to draw your attention to your letter of December 13th last, covering replies to my letters of September 11th and November 11th, in which I asked for information regarding payment to the Rea Transport Company, White Star Dominion Line and Oceanic Steam Navigation Company. I would be pleased to know if you have obtained any further information with regard to the questions raised by me in these letters.

I am, sir, your obedient servant,

JOHN GORMAN, for A.G.

The Deputy Minister of Militia and Defence.

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, October 21, 1916.

SIR,—I have the honour to acknowledge receipt of your communication of the 6th instant, and in reply, would advise as follows: Your letter, Sep. 11th, 1915—I am attaching copy of our letter dated Dec. 31st, covering Rea Transport Company's account for £215.1.0. Your letter Nov. 11th, 1915—covering War Risk Insurance, I would advise that the War Risk Association is refunding steamship companies direct, proper proportion of War Risk Insurance on all vessels taken on Admiralty Charter. These items will be eliminated from our accounts. Your letter Nov. 11th, 1915—I

7 GEORGE V, A. 1917

would advise that S.S. *Megantic*, entered into pay May 1st, 1915, at New York, and was discharged at Glasgow on May 22nd.

Your letter Nov. 13th, 1915—I would advise that S.S. *Herschel* entered into pay May 3rd, 1915, at Liverpool, and was discharged at same port on Aug. 28th, 1915.

I am, sir, your obedient servant,

EUG. FISET, D.M.

The Auditor General.

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, Dec. 31st, 1915.

DEAR SIR,—With reference to the account of the Rea Transport Co., of Liverpool, for £215.1.0 for lightering coal for SS. *Elele*, I am enclosing copies of letters from England which will give you the information desired. The Bill of Exchange No. 72 for this account was returned by you and since cancelled, and to avoid further trouble, I am asking the High Commissioner to make this payment direct.

Yours truly,

B. R. KAISER, for A. & P.M.G.

E. E. STOCKTON, Esq., Auditor General's Office. Ottawa.

19 VICTORIA STREET, LONDON, S.W., December 14, 1915.

SIR,—With reference to my letter of the 16th July last, enclosing the claim of the Rea Transport Company, Limited, amounting to £215.1.0 in respect of lighterage and delivery of coal on board the S.S. *Elele*, I beg to transmit, herewith, for your information, copy of a letter, dated the 9th instant, which has been received from the Admiralty on the subject, together with a copy of its enclosures.

I am, sir, your obedient servant,

L. N. GRIFFITH.

The Deputy Minister of Militia and Defence.

ADMIRALTY, (PARK BUILDING), S.W., December 9, 1915.

SIR,—With reference to the claim of Messrs Rea Transport Company, Ltd. amounting to £215.1.0. for delivering coal on board the S.S. *Elele* in June last, I have to enclose herewith a copy of a letter received by Messrs Rea from the Charlton Main Colliery Co., the suppliers of the coal. The statement contained therein as to the terms of contract is correct, and Messrs. Rea's claim for lighterage and delivery is therefore admissible.

I am, Sir, your obedient servant,

I am, sir, your obedient servant,

L. F. GOLDSMITH, for *Director of Transport*.

The Secretary, High Commissioner for Canada.

Bunker Coal Supplied to the SS. Elele, June, 1915.

DEAR SIRs,—We are in receipt of copy of letter sent to you from the Department of Militia and Defence, Ottawa, dated November 4th and beg to state that the terms of our sale to the Admiralty are f.o.b. barges at High Level. The price therefore does not include charges for lighterage and trimming in respect of this shipment.

Yours faithfully,

THE CARLTON MAIN COLLIERY CO., LIMITED.

(Sgd.) per H. RAWLINSON.

The Rea Transport Company, Liverpool

AUDITOR GENERAL'S OFFICE, October 25, 1916.

SIR,—In your letter of the 21st instant, No. 54-21-6-86, you state that the SS. *Herschel* entered into pay on May 3rd, 1915, at Liverpool, and was discharged on August 28th. Kindly inform me upon what service this boat was used for the period from May 3rd up to June 14th, and whether any payment was made on account of the hire of this boat during that period, as my information is that the boat was not chartered by the Canadian Government until June 14th.

I am, sir, your obedient servant,

E. D. SUTHERLAND, for A.G.

The Deputy Minister of Militia and Defence.

AUDITOR GENERAL'S OFFICE, October 25, 1916.

SIR,—I am in receipt of your letter of the 21st instant, No. 54-21-6-86, and in reply, I may say that your explanations with regard to some of the questions are not satisfactory. On November 13, 1915, I wrote with reference to the application for payment to Lamport and Holt of an advance on account of repairs to life saving appliances on the SS. *Herschel*, and I asked this question: "Before passing this application, I would be pleased to have you inform me why it was necessary to make repairs to what would appear to be the ordinary appliances provided by the steamship, and which do not appear to me to be covered by the conditions of the contract."

On December 13th, you replied to this effect: "As regards your letter of November 13th respecting Bill of Exchange in favour of Lamport and Holt on account of repairs to Steamer *Herschel*, will you kindly return me the application in question which I will retain along with the other applications which we have sent forward and to which you have raised objections." No further information has been received from you with regard to this question, but I find that on January 8, 1916, this account in question was paid by the High Commissioner, under cheque No. 38948, and it would appear that instead of getting the desired information for this office, and having the payment made as was originally intended, instructions have been given by you to the

7 GEORGE V, A. 1917

High Commissioner to make the payment in London, and in this way, avoid further discussion with this office. A further explanation, and your reasons for making the payment in this way, are desired.

I am, sir, your obedient servant,

E. D. SUTHERLAND, for A.G.

The Deputy Minister of Militia and Defence.

Insufficient Information given with regard to Refunds.

AUDITOR GENERAL'S OFFICE, December 21, 1916.

SIR,—In the War Appropriation account for 1915-16, I find a large number of refunds credited as having been received from the Bank of Montreal, London, England, but no explanation has been forwarded by your Department to enable this office to properly place any of these refunds. Will you kindly let me have this information at once, so that the proper accounts may be credited. In this connection I may say that in all the refunds received on account of War Appropriation, very few give sufficient information to properly locate the expenditure to which they are to be credited.

I am, sir, your obedient servant,

E. D. SUTHERLAND, for A.G.

The Deputy Minister of Militia and Defence.

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, January 19, 1917.

SIR,—I beg to acknowledge receipt of your letter of the 21st ult. in regard to the credits shown as having been received from the Bank of Montreal, London, on the Chief Paymaster's financial statements, 1915-16. In reply, I have to say that the information requested by you is not available here, but the Chief Paymaster has been asked to supply same at the earliest possible date. This will be forwarded to you immediately on receipt of same.

I am, sir, your obedient servant,

EUG. Fiset, D.M.

The Auditor General.

Payments for attesting men at Toronto.

AUDITOR GENERAL'S OFFICE, October 2, 1916.

SIR,—I beg to draw your attention to the following payments made to Mr. Thos. A. E. World by the Paymaster of the 2nd Divisional Area for the year 1915-16 for attesting men at the Mobilization Camp at Toronto:

Cheque No.	587, attesting for the month of April, 1915..	\$443 25

SESSIONAL PAPER No. 1

5761, attesting for the month of Oct., 1915..	370 20
6756, attesting for the month of Nov., 1915..	195 60
7936, attesting for the month of Dec., 1915..	226 10
9105, attesting for the month of Jan., 1915..	330 20
10530, attesting for the month of Feb., 1915..	315 70
11874, attesting for the month of March, 1915.	298 10

Kindly inform me why it was necessary to employ a magistrate to administer the oath to recruits in this district, when the regulations provide that this oath shall be administered by the officers of the various battalions. I would also point out that the payment to Mr. World seems excessive, as, for instance, in the month of August he received \$1,135 for attesting men.

I am, sir, your obedient servant,

JOHN GORMAN, for A.G.

The Deputy Minister of Militia and Defence.

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, December 15, 1916.

SIR,—In reply to your inquiry of the 2nd October, last, regarding payments to Captain Thos. A. E. World, A.M.C., for attestation of recruits for Overseas Service, I am to advise you that under the regulations of the British Government then in effect, the qualification of Justice of the Peace was essential for the duty. Subsequently in order to comply with the British Regulations, practically all recruiting Officers were appointed magistrates. General Order 131, amending this regulation became effective 1st January, 1916, and provided that "Officers of the Canadian Militia or Expeditionary Force, holding the rank of Field Officer, or higher, were authorized for attestation of recruits," whether Justice of the Peace or not. It would appear that Captain World is well qualified as regards any of the foregoing regulations, and, being a Militia Officer of over thirty years standing, might receive some consideration, as he is not in receipt of any other Government pay. With reference to your remarks as to the rate paid Captain World, I may say that twenty five cents (25c.) per capita was the general rate paid at the time and is the minimum charge in common practice for the administration of an oath by a Justice of the Peace. I may add that Section 80-1, of the Army Act, provides that "the fee to be paid for attesting a man for the regular Army, shall be one shilling." This rate was subsequently reduced, March 1, 1916, to ten cents (10c.) per capita and claims have been paid at the latter rate since that date.

I am, sir, your obedient servant,

EUG. Fiset, D.M.

The Auditor General.

Indemnity for oats undelivered.

AUDITOR GENERAL'S OFFICE, November 9, 1916.

SIR,—Cheque No. 3043, of the 4th Divisional Area for 1915-16, covers a payment of \$532.94 for indemnity of 4½c. a bushel on 11,343 bushels of oats undelivered by Mr. Edgar Judge, of Montreal; and the certificate on the account states that the Government contracted with Mr. Judge for 20,000 bushels at 7½c. per bushel, and that 8,157 bushels were used in the 4th Division, and that Mr. Judge agreed to release the

Government from any obligations of the remaining 11,843 bushels upon a basis of 4½c. per bushel. Kindly supply me with a copy of the contract under which Mr. Judge was to supply these oats, and inform me why it was necessary to pay Mr. Judge 4½c. a bushel to obtain a release of the contract.

I am, sir, your obedient servant,

E. D. SUTHERLAND, for A.G.

The Deputy Minister of Militia and Defence.

DEPARTMENT OF MILITIA AND DEFENCE, November 18, 1916.

SIR,—With reference your minute of the 9th instant, I have the honour to forward, herewith, copy of contract made by this Department with Edgar Judge, Montreal, for the supply of 20,000 bushels of oats; also copy of minute authorizing that this Department be released from any obligation on the remaining 12,000 bushels, at a cost of 4½ cents per bushel.

I am, sir, your obedient servant,

EUG. Fiset, D.M.

The Auditor General.

Contract for Oats for Transports Montreal.

September 14, 1915.

In June last, the War Purchasing Commission authorized the acceptance of the tender of Edgar Judge, Montreal, for the supply of 20,000 bushels of oats at 73c. per bushel, for the use of horses on transport ships sailing from Montreal. See W.P.C. minute 240. As the horses have lately been turned over to the British Re-Mount Commission, only 8,000 bushels of the 20,000 have been delivered and used; leaving 12,000 bushels to be delivered under contract. The contractors offered to take over this balance at a cost of 4½c. per bushel, or a total of \$540 representing the decline in the price of oats since last June. This offer is strongly recommended by Lt. Colonel W. J. Stewart, Assistant Director of Supplies and Transport at Montreal, and by Major General Macdonald, Quartermaster General. The matter is very urgent as will appear from the accompanying copy of telegrams from Colonel Stewart. Attached hereto is a copy of Lt. Colonel Stewart's letter of the 2nd inst. and General Macdonald's minute of the 14th inst.

Water Furnished at Quebec.

AUDITOR GENERAL'S OFFICE, January 12, 1917.

SIR,—I beg to call your attention to the following payments made by the Paymaster of the 5th Divisional Area during the year 1915-16:

SESSIONAL PAPER No. 1

Cheque No. 4958—Quebec Harbour Commissioners, 3,753,397 gallons of water furnished the Immigration Building during the month of November, 1915, at 25c. per 1,000 gallons.....	\$938 35
Cheque No. 7102—Quebec Harbour Commissioners, 7,770,394 gallons of water furnished the Immigration Building during the month of December at 25c. per 1,000 gallons.....	1,942 59
and 5,710,000 gallons of water furnished during the month of January	1,427 50

As the amount of water supplied is abnormally large, I would be pleased to have you inform me for what purpose it was used, and what evidence you have that the quantities charged for are correct.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Militia and Defence.

Examination of Recruits.

AUDITOR GENERAL'S OFFICE, January 9, 1917.

SIR,—Cheque No. 872, of the 5th Divisional Area for the year 1915-16, is for a payment of \$131 to Dr. J. Daignault, of Sherbrooke, Que., for examining 211 recruits during the months of February and March for the 41st French-Canadian Regiment. Kindly inform me if this amount covers all the recruits examined by Dr. Daignault at this time, as it would appear rather peculiar that every recruit examined by him is reported as being unfit for service, and the numbers reported each day seem to be excessive.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Militia and Defence.

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, January 25, 1917.

SIR,—I am to acknowledge receipt of your inquiry of the 9th inst. regarding payment to Dr. J. E. Daignault, cheque No. 872 (1915-16) and am to advise you that an inquiry is being made through the Officer Commanding the Division concerned. The particulars of his reply will be communicated to you in due course.

I am, sir, your obedient servant.

EUG. Fiset, D.M.

The Auditor General.

Payments at prices greater than the original contract.

AUDITOR GENERAL'S OFFICE, November 16, 1916.

SIR,—On the 15th of January, 1916, a contract was let by you to W. F. Card, of Windsor, N.S., for the supply of meat to the troops mobilizing at Windsor for the period ending the 31st of March, 1916, at 12c. each per pound for beef and mutton.

7 GEORGE V, A. 1917

In the accounts paid by the Paymaster of the 6th Divisional Area I find a payment under cheque No. 18566, to Mr. Card, for 5889 lbs. of meat supplied between the 1st and the 28th of February at 14c. per pound. Kindly inform me why this amount was passed by your Department, and have the overpayment to Mr. Card refunded at once.

I am, sir, your obedient servant,

E. D. SUTHERLAND, for A.G.

The Deputy Minister of Militia and Defence.

DEPARTMENT OF MILITIA AND DEFENCE, December 8, 1916.

SIR,—With further reference to your letter of November 16th, regarding a payment of 14c. per pound for beef and mutton, to Mr. W. F. Card, of Windsor, N.S., and especially regarding payment by 6th Division cheque No. 18566, I have the honour to inform you that this rate was authorized by W.P.C. Minute No. 4525, which reads as follows: "Provisions and Supplies Meat, Windsor, N.S. Reference, W.P.C. 4349. Report of the D. of C., is received. He is authorized to allow Walter Card, the contractor for meat, prices of 14c. per pound for beef and 14c. for mutton, these being the prices quoted by him in January, and shown on schedule of tenders, on which contracts were awarded."

I am, sir, your obedient servant,

EUG. FISET, D.M.

The Auditor General.

AUDITOR GENERAL'S OFFICE, May 27, 1916.

SIR,—On the 31st of March, 1915, a contract for the supply of bacon, at Halifax, was given to Messrs. Davis & Fraser at 15c. for breakfast and 10c. for green. I find, however, that this firm is supplying bacon at Halifax and charging 18c. for breakfast bacon. They are also supplying a large quantity of lard, for which I appear to have no contract. Kindly inform me the reason for the difference.

I am, sir your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Militia and Defence.

AUDITOR GENERAL'S OFFICE, December 15, 1916.

SIR,—On the 20th of August, 1915, the firm of Smith & Proctor, of Halifax, N.S., was given a contract to supply butter, in accordance with their tender, for the troops at Halifax, for the period ending 31st March, 1916, at 28½c. and 26½c. for creamery and dairy butter. I find that this firm is being paid 34c. for creamery butter supplied during the months of September and October. Kindly inform me why they were not paid in accordance with their contract.

I am, sir, your obedient servant,

E. D. SUTHERLAND, for A.G.

The Deputy Minister of Militia and Defence.

SESSIONAL PAPER No. 1

Payments for Insurance.

AUDITOR GENERAL'S OFFICE, February 6, 1917.

SIR,—In the accounts of the Military Hospitals Commission for the year 1915-16, I find several payments for insurance on buildings, and in some cases, contents of buildings. Kindly inform me what authority there is for these payments, as all insurance is supposed to be underwritten by the Government.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Militia and Defence.

MILITARY HOSPITALS COMMISSION, OTTAWA, March 14, 1917.

DEAR SIR,—With reference to your letter of the 6th ultimo, to the Deputy Minister of Militia and Defence, I am directed to ask for a definite ruling regarding insurance on properties owned, leased or otherwise acquired by the Military Hospitals Commission. Is the Commission to maintain insurance on these properties in the various Companies, or will the Government carry its own risks?

2. In view of the large number of institutions being taken over by the Commission the question of insurance is becoming an important one. I have an account before me for premiums amounting to \$1,225 on the Drummond Street. Military Convalescent Hospital, Montreal. I do not know whether this should be paid or not. I also am holding up a number of other cases pending a definite ruling from you.

3. In a number of Leases to the Commission it is stipulated that insurance shall be continued and the premiums paid by the Commission. It would, doubtless be quite satisfactory to the Lessors if the Commission were in a position to assure them that the risk was being carried by the Government. I understand that it has been suggested that a special Order-in-Council might be passed defining the Government's Policy in this matter. If the Order-in-Council, passed about forty years ago, does not meet the situation, I should be much obliged if you would draw up another, copies of which might be sent to the various Lessors of properties operated by the Commission in order that they may know that they are indemnified against loss. In that case it is suggested that the Order-in-Council should specify how the losses are to be determined and the steps necessary to come to an agreement. It is suggested that the insurance carried by the Lessors at the commencement of the Lease should be the amount for which the Government would be liable. I should be much obliged if you would write me fully on the situation.

Yours faithfully,

E. H. SCAMMELL, *Secretary.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, March 15, 1917.

SIR,—I have to acknowledge receipt of your letter of 14th instant *re* Insurance on Leased Property in which you ask for a definite ruling regarding this matter. In reply I beg to say that I am not in a position to give such a ruling. I simply called attention to the policy of the Government as expressed in an Order in Council. I also suggested that as a new situation has developed it would be advisable for you to bring

7 GEORGE V, A. 1917

the matter to the attention of the Government and ascertain if they still wished to adhere to the policy of carrying their own insurance or if they thought it advisable to insure the properties taken over by your Commission it would be necessary for them to pass an Order in Council to that effect. I could not undertake to advise the Government in the matter but would suggest that you bring the matter before your Minister and have him discuss it with his colleagues.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Secretary, Military Hospitals Commission.

Payment to Permanent Official of the Senate.

AUDITOR GENERAL'S OFFICE, December 21, 1915.

SIR,—I beg to acknowledge receipt of your applications to repay the bank for the expenditure by the Military Hospitals Commission for the months of October and November. Upon reference to the statement of cheques, I find that cheques No's. 26 and 79 were issued in favour of Mr. A. H. Hinds, in payment of his salary from the 28th of October to November 30th, inclusive at \$3 per day. Mr. Hinds is a permanent official of the Senate, and under Section 38 of the Civil Service Act, is debarred from receiving any additional remuneration beyond his regular salary. Kindly inform me why these cheques were issued, and obtain a refund of the amount paid to Mr. Hinds.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Militia and Defence.

AUDITOR GENERAL'S OFFICE, February 13, 1917.

SIR,—On December 21, 1915, I wrote you with reference to certain payments made by the Military Hospitals Commission to Mr. A. H. Hinds, a permanent official of the Senate, and in that letter, I asked that the amount paid be refunded. Up to the present, I have received no reply to my letter. Kindly let me know what action was taken in this matter, and why a refund has not been obtained.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Militia and Defence.

DEPARTMENT OF MILITIA AND DEFENCE, February 19, 1917.

SIR,—I have the honour to acknowledge receipt of your communication of Feb. 13th *re* certain payments made by the Military Hospitals Commission to Mr. A. H. Hinds. In reply I beg to state that I took this matter up with the Secretary, Military

SESSIONAL PAPER No. 1

Hospitals Commission 5th of February, 1916. Copy of my letter is attached hereto. I am taking the matter up with him again today and will communicate with you further as soon as a reply is received.

I am, sir, your obedient servant.

EUG. Fiset, *D.M.*

The Auditor General.

DEPARTMENT OF MILITIA AND DEFENCE, February 5, 1917.

SIR,—Your letter of the 20th ult. received regarding pay of Mr. A. H. Hinds. The point made by the Auditor General is understood to be that Mr. Hinds being a permanent official of the Senate is not entitled by reason of holding a Commission in the Canadian Militia to draw two rates of pay owing to the fact that he is not acting in a military capacity and that military rank is not necessary to the performance of his duties with the Military Hospitals Commission any more than such rank is necessary for the Secretary of the Commission. Will you kindly submit this case to higher authority.

I am, sir, your obedient servant.

R. P. BROWN, for A. & P.M.G.

The Secretary, Military Hospitals Commission.

DEPARTMENT OF MILITIA AND DEFENCE, March 2, 1917.

SIR,—In reply to your letter of February 13th I beg to forward herewith copy of reply received from the Secretary Military Hospitals Commission in regard to the pay of Mr. A. H. Hinds. I may say that three letters have been written to this officer about this question and no satisfactory answer has been returned.

I am, sir, your obedient servant.

E. F. JARVIS, *Acting D.M.*

The Auditor General.

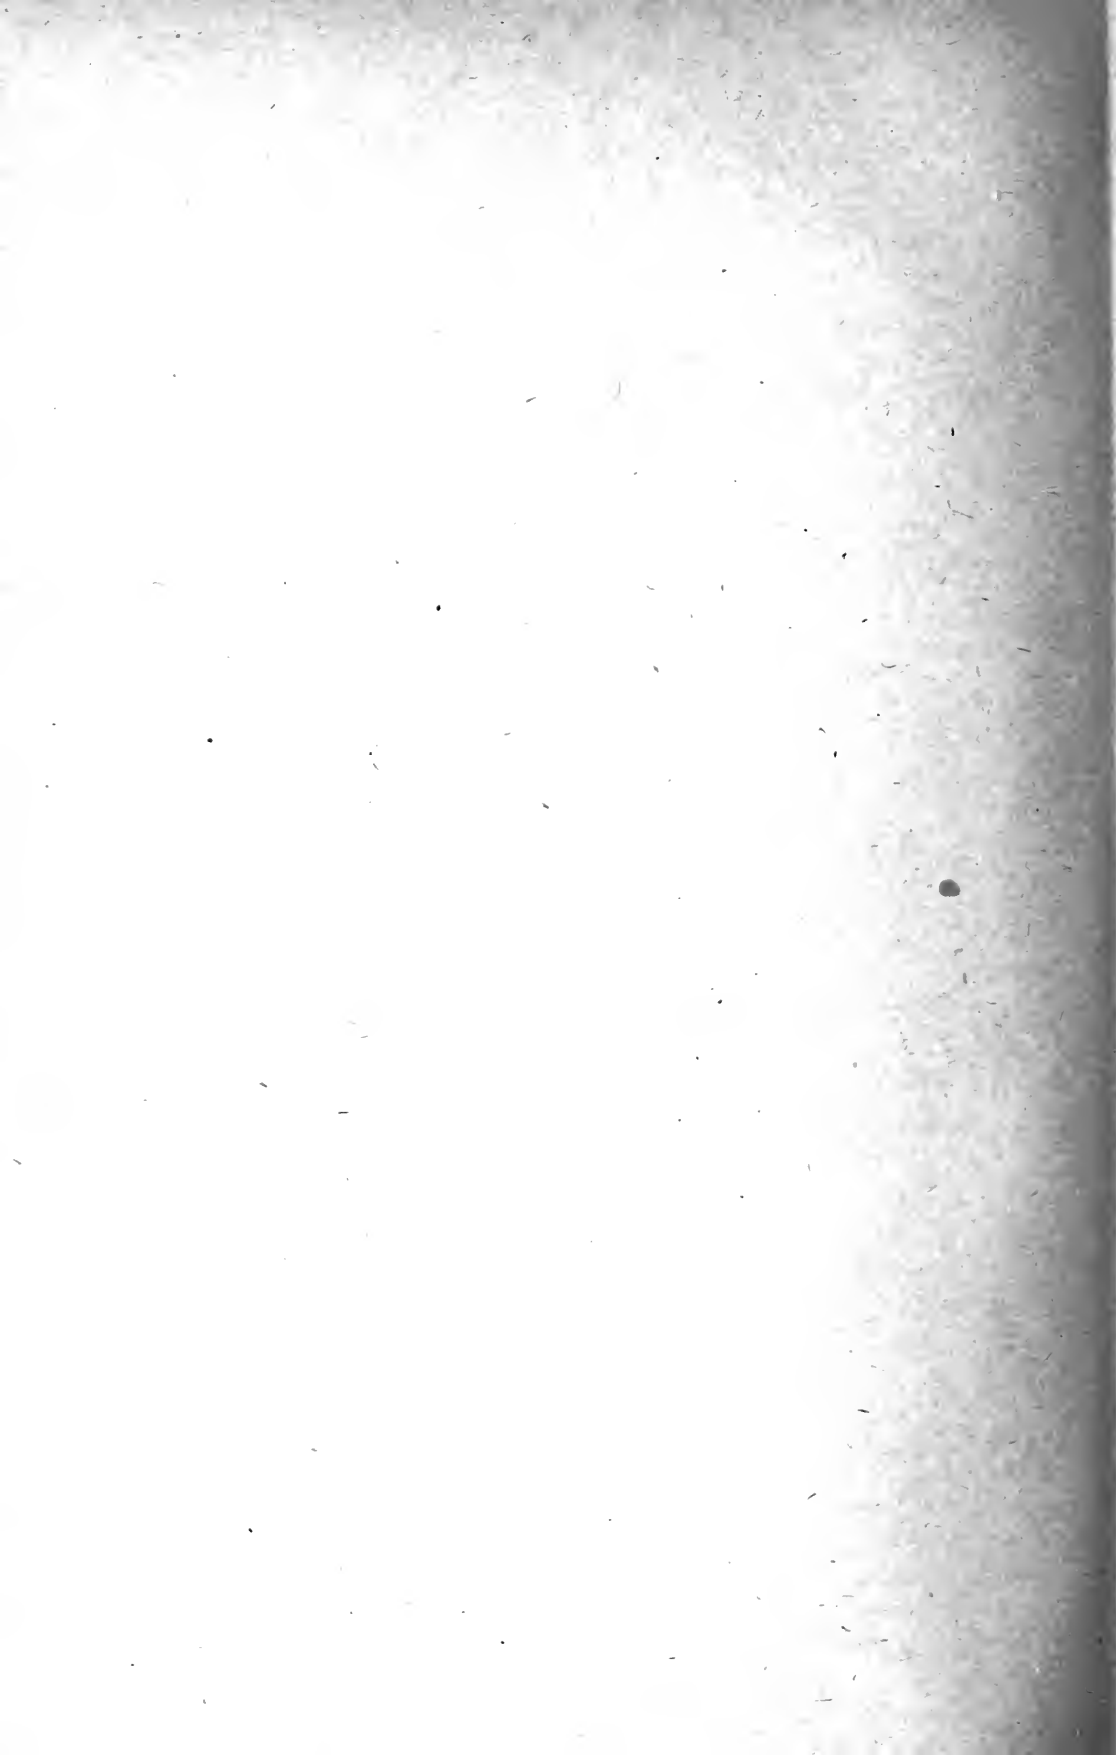

MILITARY HOSPITALS COMMISSION, OTTAWA, February 21, 1917.

SIR,—In reply to your letter of the 19th instant, enclosing a copy of letter from the Auditor General regarding the pay of A. H. Hinds. I will refer the matter to Sir James Loughheed on his return from the West, as the payment in question was authorized by him.

I am, sir, your obedient servant.

E. H. SCAMMELL, *Secretary.*

R. P. BROWN, Acting A. & P.M.G.
